That's not something you'd ever expect to have to say to someone,wholesale football jerseys, but I guess that's the world we live in. A bizarre story has surfaced from Winona,youth hockey jersey, Minn.,retro nba jerseys, in which a woman dropped off her Chevy Malibu at an auto repair shop,mesh baseball jersey,nike football jersey, with a live goat in the trunk. The goat -- and this is where it gets weird -- was painted purple and gold and had Brett Favre's "4" shaved into its side.

She planned to butcher the animal later but was passing through Winona on her way to St. Paul when the car broke down,baseball team jerseys, [repairman James] Prusci remembered her saying.

Please do not celebrate Brett Favre's comeback with goat torture

Here's more from Matt Christensen of WinonaDailyNews.com:

Naturally,baseball jersey builder, that brings us to Eric Mangini,france football jersey,cheap jersey, the Browns' first-year coach who seemed to be doomed just a few weeks ago. But that was before

the Steelers started their "Hey, maybe you shouldn't fire your head coach just yet" tour, design hockey jersey, which may have bought Mangini some time. A decision on whether or not to keep Mangini would be the first thing on Holmgren's plate if he took the gig.

Super Bowl winning head coach Mike Holmgren is in Cleveland today, talking with the Browns about becoming their new football czar/organizational savior.

Will Mike Holmgren save the Cleveland Browns?

The woman,nhl jersey history, and a man and child who were waiting for her outside,create baseball jersey, left while Prusci and other workers began the repairs.

It would be a great thing for the Browns if he did. Holmgren has been a coach,nfl nike pro combat uniforms, he's been a GM,custom nhl jersey, he knows how an organization should work and he knows what it takes for a team to be a Super Bowl contender. He's gotten to that level with two different organizations.

I'm no lawyer,penn state football jersey, but if there's any legal precedent that says this woman could be shipped to Philadelphia so Eagles fans could paint her green and lock her in a trunk for a while, I'd be fine with that.

"We cracked open the trunk,football america,mlb jerseys for sale, you know, so it could breathe," Prusci said. "And sure enough, there it was. It kind of poked its head up."

Should Holmgren accept it, he would play basically the same role that Bill Parcells has played in Miami: He'd be in charge of pretty much everything football related, including team philosophy,team basketball jerseys,football helmets, personnel,baseball jersey sizing, and hiring and firing coaches and GMs.

After about 10 minutes,cheap basketball jersey,cheap custom football jerseys, they could hear the goat crying.

Will he take the job? Well,nike football jersey builder,Hornets Jerseys, the fact that he's in Cleveland and talking to Randy Lerner is a good sign. Other offers may come up,new nike nfl, though. I would think that complete control would be an important thing to Holmgren,authentic nba jerseys cheap, as would the fact that Cleveland comes with a die-hard fanbase built-in. On the downside,baseball jersey, it's true that Cleveland isn't a beautiful tropic locale, but having coached in Seattle and Green Bay, that may not be terribly important to Holmgren. The job itself -- turning Cleveland into a winner -- sort of seems like a losing battle,nfl jersey shop,design your own hockey jersey, too.

The auto repair people,ncaa football jerseys, bless their hearts, called animal control. They

showed up with a couple of police cars, practice basketball jerseys, although there's no word on what happened to the woman. The goat -- who could not talk and did not think you were gonna buttonhook him (naughty language at that link) -- is in the care of a local veterinarian.

We'll see what happens. The one perk Holmgren might not be able to turn down is the twice-yearly chance at revenge for Super Bowl XL. Keep your fingers crossed, cheap authentic nfl jerseys, Browns fans.
